MATCH YOUR PASSION!

Houston Community College
2011 Faculty & Staff Campaign

For 40 years, Houston Community College faculty and staff have been helping students succeed in a remarkable variety of fields—everything from traditional academic studies to career and technical programs like nursing, automotive mechanics, fashion design, and construction technology.

Now we ask you to match your passion for service with a gift to the HCC Faculty & Staff Campaign. Your gift will help students continue their education at HCC and to prepare themselves and their families for a better life.

“I am a student at HCC today thanks to the generosity of donors like you. Thank you for helping me achieve my educational goals.”

Brittany Cardenas, HCC Foundation Student Ambassador and Scholarship Recipient

HELP MAKE THIS YEAR’S FACULTY AND STAFF CAMPAIGN THE MOST SUCCESSFUL EVER!

The 2011 Faculty and Staff Campaign raised over \$60,000—a record high. This year you can make your gift go even further thanks to a generous matching gift from Barnes & Noble College Booksellers.

Barnes & Noble will match all employee contributions to the HCC 2011 Faculty and Staff Campaign, dollar for dollar, up to \$100,000.

That means a gift of \$20 will have double its impact in a student’s life!

This is a great opportunity to **s-t-r-e-t-c-h** your giving dollar and help HCC students complete their degrees and enjoy stronger earning power and job stability for the rest of their working lives.

Thank you for everything you do to help our students.

Don’t delay – send in your donation form today! You can also make your gift online at www.hccsfoundation.org (click on “Faculty & Staff Campaign”).

Free HCC gift with every donation—while supplies last!

All employees who contribute \$10 or more to the 2011 HCC Faculty and Staff Campaign will also be eligible for prize drawings, including a TV, digital camera, gift cards and more!

Employees who select payroll deduction to make their campaign contribution will be placed in an additional special prize drawing.
