Lifting Lives

Mission

HCC Foundation empowers HCC student success through philanthropic support, aligned with key HCC institutional initiatives.

Vision

The HCC Foundation will serve as a philanthropic force supporting high quality educational experiences for HCC students of all backgrounds to help them improve the trajectory of their lives.

A Message from the HCC Foundation President

Because of you, I have the best job in the world. It is my privilege, each day, to join others in our HCC family in lifting the lives of our students. They come to us from across the city and around the globe for an education and a brighter future.

YOU make it possible. Your philanthropic support and commitment literally transform the lives of HCC students.

YOU are the reason they can continue their studies in high-demand fields and with the latest equipment, technology and resources—and at times and in innovative learning environments that work best for them—whether in person, online or in combination.

Across this report, you will hear voices of gratitude from our scholarship recipients. Each student tells a uniquely personal story of struggle, perseverance and success, a story of dreams coming true. Together, they form a resounding chorus of appreciation.

You will also see the work—and impressive outcomes—of generous HCC supporters of all kinds, from partnering organizations, business leaders and individual donors to volunteers, events teams, staff members and more.

As a result, in fiscal year 2019, the Houston Community College Foundation provided \$3.6 million in scholarships and grants to Houston Community College for student success.

Finally, I am honored to work alongside a remarkable board of community leaders who volunteer their time on behalf of HCC and student success. Our Foundation's Chairman of the Board David Regenbaum leads by example for HCC students, sharing his talents as entrepreneur-in-residence and, with his wife, Glenda, sponsoring a named scholarship.

The Foundation Board and you, our donors and friends in the community, inspire me each day.

From the bottom of my heart, I offer my gratitude and appreciation for what you make possible for our students and their families with your continuing support.

Sincerely,

Karen L. Schmidt, MBA, CFRE

HCC Foundation highlights

Investing in Houston's workforce

The PetrochemWorks Golf Tournament raises funds to support and build tomorrow's workforce. A joint effort of the East Harris County Manufacturers Association and the Associated Builders & Contractors and Construction & Maintenance Education Foundation, the tournament benefits technical student scholarship programs at Lee, San Jacinto and Houston Community College. In 2019, PetrochemWorks awarded in excess of \$60,000 to the HCC Foundation in scholarship support for workforce students.

Black History Scholarship Gala a huge success

One of Houston's premier Black History Month events, the 2019 Black History Scholarship Gala raised nearly \$60,000. Proceeds from the evening provide college scholarships to deserving African American students and students of African heritage at HCC.

Goldman Sachs

Through an incredible partnership with Goldman Sachs, HCC is helping to build small businesses across the area. The HCC Goldman Sachs 10,000 Small Businesses Program provides business owners with 100 hours of instruction, professional advising, and personalized growth-plans. In its 10 years at HCC, the Goldman Sachs Foundation awarded the College, via the HCC Foundation, approximately \$12 million to offer this program. Of the 755 graduates, 63% have grown their revenue and 46% have hired additional employees. Win wins for all involved, including HCC Foundation Board Members Rep. Christina Morales, Morales Funeral Home, Maria Rios, Nation Waste, and Irsan Tisnabudi, Aria Services.

HCCF hosts VIP tours at the new Coleman College tower

HCC Coleman College for Health Sciences welcomed a group of Memorial Hermann VIPs to tour its new tower, including the student learning center and programs. Special thanks to HCC Foundation Immediate Past Chairman of the Board Mary Williams and her husband, Will, who serves on the Memorial Hermann board, for inviting this distinguished group to visit HCC's location in the Texas Medical Center. The Health Sciences Center of Excellence is the first community college of its kind in the world-renowned Texas Medical Center.

'All In' goes all out

Each year, employees come together as a family to make a gift in support of student success and faculty professional development at Houston Community College. For many, it's a way of repaying the kindness of strangers for their own successful HCC journeys. The 2019 Family & Staff Campaign raised a record \$154,664, which included donations and proceeds from the annual HCC Faculty Senate's Bedichek-Orman auction, the highlight of the annual giving campaign.

"There were those who made sacrifices so I could attend college. I just want to say thank you by giving to students who may need a helping hand."

Ozioma's personal journey

"None of you know me personally, have seen me in action, or know what I'm capable of. None of you know my story or why I'm worthy, but you took a chance and sponsored my attendance to NEW Leadership Texas. Thank you for six days I will never forget."

Ozioma Sydney Eze

HCC student
HCC Foundation Award recipient

HCC student Ozioma Sydney Eze attended New Leadership Texas in June 2019, thanks to an award from the HCC Foundation. The six-day residential summer institute educates college women about the important role that politics plays in their lives and encourages them to become effective leaders in the political arena. Ozioma had the chance to listen to many successful women on why and how they took the path they chose. She sat in on an Austin City Council meeting, served as a mock delegate and visited the Texas State Capitol during this life-changing opportunity to see politics in action.

Angela's personal journey

"I am blessed that I have been considered for your generous contribution toward my education."

Angela Lawrence

HCC student
Billie Bath Perlman Memorial
Endowed Scholarship recipient

HCC Foundation scholarship recipient Angela Lawrence is familiar with juggling the demands of a hectic work and study schedule. And she's doing it all while staying ahead of the class in her coursework. Angela is taking classes at HCC to obtain her Certified Public Accountant (CPA) certification and prepare her for the CPA exam. She is grateful to be named a recipient of a scholarship from the HCC Foundation to ease her finances and advance her career.

HCC Foundation at HCC State of the College

Kinder Institute Founder and HCC Foundation Ambassador Dr. Stephen Klineberg was a featured speaker at the HCC State of the College held in March 2019. Dr. Klineberg told guests, "The community college is the single most important institution of higher education in Houston. This is where we build the future of this city."

Minority Male Initiative golf tournament

The HCC Minority Male Initiative hosted its annual golf tournament in March 2019 at the Quail Valley Golf Course on behalf of scholarship and program support. The mission of the MMI Program is to increase the completion rate of minority males enrolled in primary, secondary and post-secondary education.

Golden Eagle Society Dinner

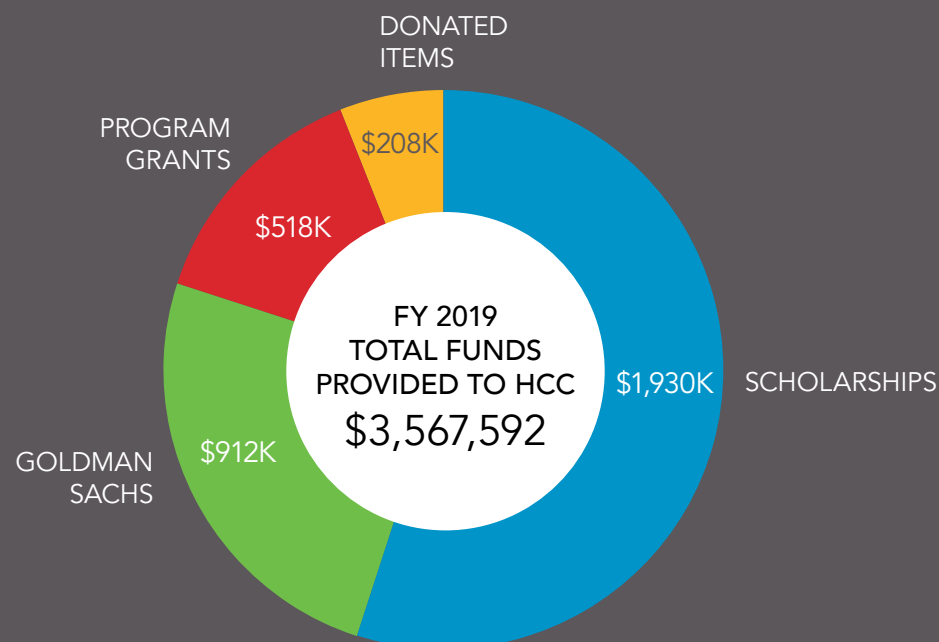

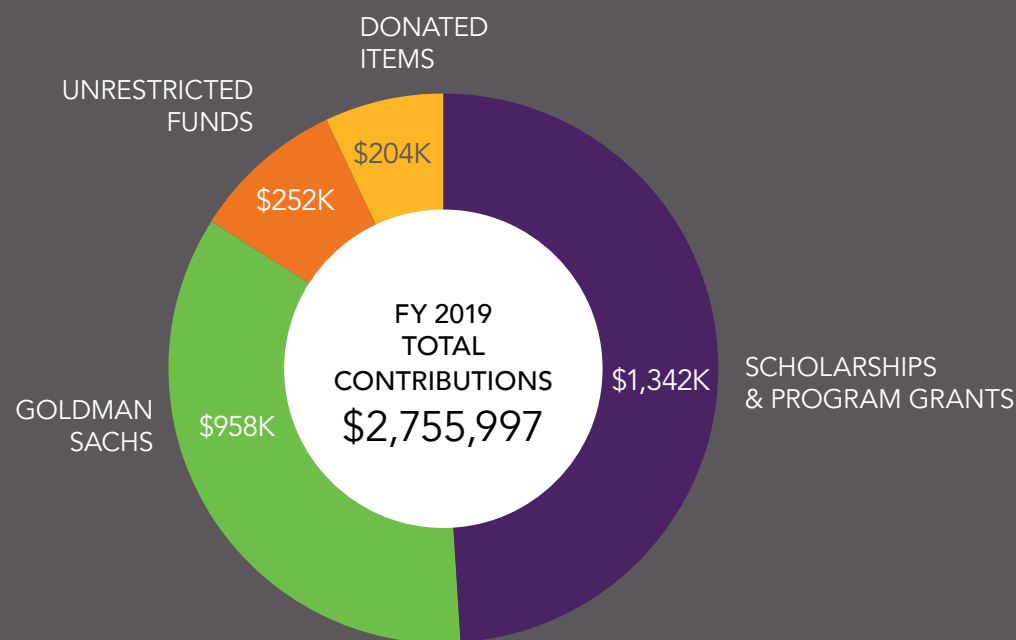

The Golden Eagle Society recognized the generosity of the Houston Community College Foundation's most impactful donors, those who have contributed \$5,000 or more in fiscal year 2019, at a lunch hosted at Hotel Granduca.

It takes a community to bring students' dreams to life. And, oh, what a community we have. Thank you.

The HCC Foundation is truly grateful for the support we received from the community and for all that your contributions make possible for HCC students.

In fiscal year 2019, September 1, 2018 - August 31, 2019, contributions to the HCC Foundation reached \$2.8 million through annual events, established partnerships, and continuing outreach. The majority of these funds are restricted according to donor intent. In that same fiscal year, the Foundation provided \$3.6 million in scholarships and grants to HCC. (See pie charts, p. 7)

Edmond's personal journey

"I've had a lot of struggles and hardships in my life, but I've learned if you continue to work hard and be consistent, you will be successful."

Edmond Brown

HCC student
Black History
Scholarship recipient

HCC Petroleum Engineering student Edmond Brown has a jumpstart on a new career thanks to the Black History Scholarship he earned through the HCC Foundation. A New Orleans native who was forced to leave his hometown in the aftermath of Hurricane Katrina, Edmond now calls Houston home and sees Houston Community College as the catalyst to his future. A hard worker by nature, while earning the credentials to pursue a position in petroleum engineering, Brown is also earning the money he'll need to study law one day and pursue his ultimate dream to help underprivileged children.

"Today is a celebration of what we make possible through the Foundation. Our donors turn impossible dreams into achievable goals."

Scholarship Luncheon celebrates students and donors

Each year, the annual Foundation Scholarship Luncheon celebrates the grateful scholarship student recipients and the donors who help make

their college dreams possible. The event showcases the impact of private support and the difference it makes in the lives of so many. *(continued on p. 9)*

Among the students recognized at the 2019 luncheon was business entrepreneur Danielle Ellis, salon owner and mother of two. Danielle lost her home to Hurricane Harvey. At the luncheon, she shared how the support she received from a Qatar Harvey Fund Scholarship helped her to return to classes and get a fresh start, in her salon and in her life.

"There are people out there who really care and who are not selfish," says Ellis. "It's just amazing."

Another scholarship recipient, Precious Hopkins, has always had a dream of helping people. Now,

with the support of an HCC Foundation scholarship, she is a step closer to finishing her education and becoming a Registered Nurse.

"I'm very grateful that Houston Community College is allowing me the chance to build and grow from that dream. I promise to continue on that path to complete my goals."

Appreciation for financial help was echoed by the hundreds of students at the luncheon, all of whom received scholarships from the HCC Foundation. With your support, we really are lifting lives.

"We appreciate your generosity to help drive Houston's workforce to new heights. It's because of you that our students are able to create better lives for themselves and their families."

A Closing Message from the HCC Foundation Chairman of the Board

Dear Fellow Contributors:

On behalf of the HCC Foundation Board, I applaud each of you for your investment in our great community with the gift of education. It's an investment that yields long-term returns. Not only do students and their families reap dividends; our workplaces and our communities benefit, now and for generations to come.

Among the many highlights of my tenure as Chairman of the Board of Directors are the messages I have received from so many scholarship recipients. My wife, Glenda, and I have been humbled by video tributes featuring students who have received a scholarship from the fund we established through the HCC Foundation.

One of the recipients, Mohammadreza Parran, a student studying cybersecurity, said, "This scholarship gave me another reason to be and stay at school. It gave me hope to start again and build my future."

Miguel Angel Garcia, a construction management student, had a similarly touching response. "Thank you for believing in me and being a part of my life. Thank you for making other peoples' dreams come true."

Courtney Collins, an HCC Veterans Affairs employee and online student, stated, "I'm really appreciative that I'm back in school after so many years. This scholarship made it possible."

These life-affirming words of the students carry with them an optimism that far exceeds a dollar figure.

They make me grateful, as I am sure you are, that we are in a position to give in a way that makes a significant impact on the recipients of the HCC scholarships and their families. We are helping to build a better future!

The academic and workforce training HCC provides is vital to our community. As an HCC Entrepreneur in Residence, I am extremely fortunate to see the tremendous impact our efforts are having, along with the tremendous opportunities that are being created.

With your continued support, the HCC Foundation can make education accessible to students of all ages, backgrounds, abilities, and aspirations. We can educate more students, put more families on a positive economic trajectory, and change more lives.

In collaboration with our community partners and friends, the HCC Foundation helps provide the philanthropic support that drives the economy of the nation's fourth-largest city and inspires dreams for students like Mohammad, Miguel, and Courtney.

Thank you for sharing our vision for excellence. Thank you for all that you give and for all that you do.
