

2024 HCC FOUNDATION GALA

Dear Friend of HCC,

Houston Community College is celebrating the power of education to help our students' dreams take flight!

We know you have a commitment to education and our city's future. We are excited for you to help us celebrate the power of education and support our students by donating an auction item for the HCC Foundation 2024 Gala: Where Dreams Take Flight! The event on Saturday, April 20, 2024, at the Hilton Americas-Houston will honor Dr. Ruth J. Simmons for her community support and her legacy as a preeminent educator and trailblazer.

All proceeds from the event will target the areas of greatest need for Houston Community College students as they navigate the difficult financial decisions related to work, family, and education.

The HCC Foundation 2024 Gala celebrates the transformative power of education to enable our students' dreams to soar and provide a high quality, affordable higher education for Houston's workforce.

"Having this scholarship means it is a weight off my shoulders and my family's because we won't have to worry about paying for tuition and books." - Perla, HCC Foundation Scholarship Recipient

If you wish to donate an item or service to the 2024 HCC Foundation Gala auction to help more students like Perla, we kindly ask that you fill out the attached Gift in Kind donation form. Proceeds from the evening will support areas of greatest need on behalf of HCC student success.

We hope you will consider donating to the auction in support of this important event benefiting Houston's students and sustaining a skilled workforce for our great community. You can learn more about the event online at hccsfoundation.org/2024Gala and submit your donation form:
