HCC FOUNDATION VISION AND MISSION STATEMENTS

MISSION

HCC Foundation empowers HCC student success through philanthropic support, aligned with key HCC institutional initiatives.

VISION

The HCC Foundation will serve as a philanthropic force supporting high quality educational experiences for HCC students of all backgrounds to help them improve the trajectory of their lives.

MESSAGE FROM THE HCC FOUNDATION PRESIDENT

Dear Valued Donors,

Thank you for believing in our students and for **Investing Where it Mattered Most.**

Because of you, students pursued their dreams, families gained new opportunities, and Houston's workforce grew stronger. Your generosity does more than provide financial support, it opens doors, changes lives, instills confidence, and creates possibilities that will last for generations.

In FY2025, together we reached remarkable milestones. The HCC Foundation raised more than **\$10.9 million** to support scholarships and student success, including our most successful gala ever, which raised more than **\$715,000**. These achievements are a direct reflection of your generosity and your belief in the power of education to change the trajectory of students' lives.

I am grateful for the leadership of our Board of Directors, led by Board Chair David Itz, whose stewardship helps ensure every gift is used with care and purpose, always centered on student success. I am also deeply grateful to Chancellor Margaret Ford Fisher for her visionary leadership and unwavering commitment to the Houston City College Foundation and the students we serve.

Karen L. Schmidt, MBA, CFRE

As you read this Gratitude Report, I hope you see the impact of your giving. Because of you, higher education is within reach, and brighter futures are possible.

Thank you for **Investing Where it Mattered Most!**

With sincere appreciation,

KAREN L. SCHMIDT, MBA, CFRE
President, Houston City College Foundation

**MESSAGE FROM
HCC FOUNDATION
BOARD OF DIRECTORS CHAIR**

Dear Valued Donors,

Because of you, Houston City College is building a stronger future for our community.

Your generosity supports students as they prepare for meaningful careers, strengthens families through opportunity and stability, and fuels innovation that helps Houston thrive. By investing in education, you are investing where it matters most in people, potential, and progress.

It has been my privilege to serve as Chair of the Houston City College Foundation Board of Directors this past year. I am deeply grateful to our incredible Board members who tirelessly volunteer their time, expertise, and leadership in service to our students and our mission. We are proud to steward your gifts with great care. The Board works closely with Foundation leadership to ensure strong financial management, adherence to donor intent, and responsible oversight, so that both Houston City College and our donors can have full trust and confidence in our leadership and management.

The impact of your investment extends far beyond today. Together, we are preparing graduates who will enter the workforce, raise families, lead in their communities, and strengthen Houston for generations to come. In time, many will return that investment by opening doors for those who follow.

Julie and David D. Itz

We appreciate Chancellor Margaret Ford Fisher's leadership and partnership as we work together to strengthen Houston City College Foundation and exhort opportunities for our students.

Thank you for your generosity, gifts large and small, and for the confidence you place in us. When we invest thoughtfully in students today, the return is lasting and meaningful for our entire community.

Sincerely,

DAVID D. ITZ

Chair, HCC Foundation Board of Directors

“It is a blessing to have this scholarship thanks to generous people like you who make it possible to have more graduates.**”**

LUDWING RIVERA

*EHCMA (East Harris County Manufacturer's Association)
Scholarship*

“Receiving this scholarship means more to me than I can truly express. I come from a background without the financial or emotional support of family, and I've had to build my path on my own. I'll be the first in my family to graduate college, and that's a milestone I carry with pride and hope. This scholarship lifts a huge weight off my shoulders, allowing me to focus on both my studies and my job without the constant stress of making ends meet. It's not just financial relief—it's an affirmation that I'm on the right path.**”**

“This opportunity means the world to me. Your generosity not only offers financial assistance but also motivates me to remain dedicated to my goals. It reassures me that there are individuals who believe in students like myself and want to see us thrive. I am truly thankful for that encouragement and support.**”**

2025 Faculty & Staff Campaign:

HCC Employees Rally to Support Student Success

Thank you to the many generous HCC employees who expressed their support through the annual HCC Faculty & Staff Employee Giving Campaign. These employees rallied around the foundation's "I Love HCC" theme and the inspirational stories of many generous contributors.

HCC employees contributed **more than \$167,000** on behalf of HCC student success and faculty support, including support from the annual Bedichek-Orman Auction hosted by the Faculty Senate.

A hallmark example of the giving heart of HCC employees is found in

the example provided by the John B. Coleman, MD, College for Health Sciences faculty and staff, who provided much-needed scholarship funds to Coleman students this year! These employees gave to already-existing scholarships set up by current faculty and staff members. They also grew the newly established Coleman Faculty Fund of Excellence and began making awards to help students with need. Thanks to these contributions, Coleman students can thrive in their programs and are able to afford a certificate or degree leading to sustainable employment in the healthcare industry.

LEAVE A LEGACY CREATE YOUR WILL FOR FREE

In 2025 the HCC Foundation launched a new Planned Giving website including opportunity for donors and friends to create their will for free, and leave a legacy for future HCC students.

**MESSAGE FROM
HCC FOUNDATION
BOARD OF DIRECTORS CHAIR**

Dear Valued Partners,

It is my great joy to serve as Chair of the HCC Foundation this past year. As we plan for board chair succession, please welcome Board Chair Elect Tracy Janda. Ms. Janda will become board chair September 1, 2026.

Ms. Janda has been a long-term supporter of collaboration between business, nonprofits and the education system to develop the community's future citizens, leaders and workforce. Her career has included positions in human resources management and consulting, product management, sales, marketing, and community relations, most recently as Community Relations Manager at CenterPoint Energy.

During her corporate tenure, Janda served on several advisory committees including United Way's Education Council and Greater Houston Partnership's K-12 Education Committee. She treasures her time volunteering in literacy programs for elementary students.

Ms. Janda graduated from Rice University with a Bachelor of Arts in Legal Studies and Political Science. She is a graduate of Leadership Houston and the CenterPoint Energy Leadership Academy as well as a senior fellow of American Leadership Forum – Houston. She earned a Certificate in Community Involvement from the Boston College Center for Corporate Citizenship and served on the advisory board of the Center for several years.

Along with her service to the HCC Foundation Board of Directors, she is active with the leadership team of the League of Women Voters of Fort Bend County, and the Power Tools for Nonprofits Conference advisory board.

Ken and Tracy Janda

She has also provided significant volunteer support to Katy ISD where she served on three bond planning committees and was honored with numerous awards for her volunteer service in schools. A highlight of her Katy ISD volunteerism was service on the design committee for the district's Performing Arts Centers.

With Ms. Janda's leadership, we look forward to another record-setting year in 2026!

Warm Regards,

DAVID D. ITZ
